

SN-1

SN-1
(100dB)

PRODUCT
SPECIFICATION

SN-1

Materials Housing-Steel, Bracket-Steel
Ambient operating temperature -25°C to +50°C
Sound volume Max.100dB at 1m
Protection rating IP54
Housing standard color Red

- 1 warning sound and cost effective model for DC only
- Steel housing provides excellent durability
- Water and dust proof(IP55) structure makes its outdoor installation

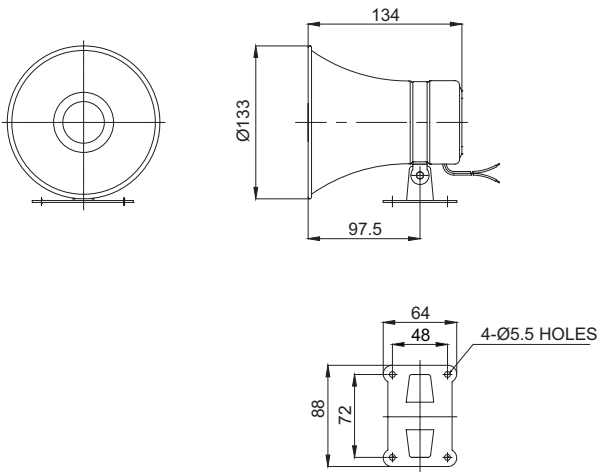

SN-1 Small Size Electric Horn, Max.100dB

Model number	Voltage	Current	Sound pattern and volume	Certificates	Weight
SN-1	DC12V	170mA	·WS-1 Warning sound : Max.100dB	-	0.88kg
	DC24V	220mA
